Re: "Dear Colleague" Letter Seeking Support for HR 4367 – ATM Signage Bill

Last week Representatives Blaine Luetkemeyer (R-MO) and David Scott (D-GA) introduced [HR 4367](#), a bill to eliminate Reg E's dual fee notification requirement.

Yesterday, they sent a "Dear Colleague" [letter](#) to other members of the House Financial Services Committee seeking co-sponsors to support their legislation.

EFTA is working with the industry coalition we put together to assist Congressmen Luetkemeyer and Scott in this endeavor. We are also attempting to find a Senate sponsor for a companion measure.

If you think that your Representative would be interested in co-sponsoring this measure, please feel free to contact me (kurthelwig@efta.org) or Dennis (dennisambach@efta.org).
