The eGovernment Payments Council

Every November hundreds of federal officials, state agency staff and contractors gather for the annual government-payments conference, EBT—the Next Generation, sponsored by the eGovernment Payments Council

### eGPC Mission

The EGPC mission is to provide a one organization representing the government payments community.

The eGPC fulfills its mission by fostering the professional and personal growth of its members. It delivers timely, actionable information via multiple channels. These include its annual conference, meetings, webinars, task forces, newsletters and alerts, and a variety of social media.

### Supporting the Council

The Council is supported entirely by member dues. There are three options for state membership.

#### Founder

The Founder category, for state coalitions includes all of the rights and privileges of membership, plus the membership in the Quest® Rules Forum. This allows states to work directly on the operating modification. **States may create their own membership “coalitions” and split the dues.**

**Annual dues:** $7,000.

#### Pioneer

Pioneer members are individual state agencies. **Annual dues:** $3,600.

#### Subscription

Cash-strapped states may take advantage of our “Subscription” membership. This provides these states with access to our EBT Alerts, quarterly newsletter, and meeting summaries, as well as a discount to our annual conference. **Annual dues:** $250.
