Re: House Passes H.R. 4367 (ATM Signage Bill)

Moments ago, the U.S. House of Representatives overwhelmingly passed H.R. 4367. The Bill passed by a vote of 371 to 0. The issue now moves on to the Senate.

Senate bill S. 3204 currently has more than 20 cosponsors from both sides of the aisle. We will continue to work with the industry coalition and Senate staff to facilitate passage and will keep you apprised of any significant developments.

If you haven't already done so, it is important that you contact your Senators asking them to support S. 3204.
