

eGPC SNAP/CASH States Agency Forum Charter

January 2020

Providing a SNAP/CASH States' voice focused on advancing payment technology, policy and partnerships.

Vision/Purpose Statement: The eGPC SNAP/CASH States agency forum acts as a voice for Electronic Benefits in the government payment industry. We are focused on payment technology, policy and partnerships to advance the SNAP and CASH aid programs. This charter lays the foundation and structure to ensure that the eGPC counsel vision, mission, and strategic objectives are integrated and guide the activities of the SNAP/CASH States agency forum.

Scope:

- Quarterly meetings focused on education, program updates, and status reports
- Development of task forces to investigate policy & technical impacts for EBT programs

Decision Making Process: The SNAP/CASH States' Agency forum will seek consensus for all decisions & directions including but not limited to; work products, development of task forces meeting management and structure of the task force. If consensus is not reached, the Vice Chair will have decision making authority after consulting with eGPC board members.

Meeting Management: The vice chair will facilitate or designate facilitation at all quarterly meetings. Meeting notes will be captured and distributed no later than 5 business days after a meeting. The Monthly meeting agenda will be provided to the group no later than 5 business days prior to a planned meeting.
